Disgrifiad / Description

A tall, narrow manuscript volume of thirty folios containing Welsh strict-metre poetry, mainly 'cywyddau', bound in a half morocco case-binding in 1912 by J. B. Sconce of Chester, and bearing the words 'TALACRE MSS.' in gold lettering on the front cover (NLW MS 21582E). The manuscript is written in a clear Secretary hand, not dissimilar to the first hand found in Wynnstay MS. 10, and probably dates from the middle of the seventeenth century. According to the original foliation, four folios are missing at the beginning of the manuscript and part of the manuscript is missing at the end; folios are also missing between the present ff. 9 and 10, and ff. 21 and 22. The paper has been repaired extensively with translucent paper. The volume contains poetry attributed to the following poets: Tho[mas] Prys, Y Meister Sion Tudur, Sr. Gruffydd Owen, y Bedo Brwynllys, Bedo Aryrddrem, Huw Arwystl, Rys Cain, Morys Dwyfech, Sion Phylip, Sr Dafydd Owain, Sr Phylip y Meistr Hughe Machno, Einion ab Gwalchmai, Sion Mowddwy, Tudur Aled, Dafydd ap Edmwnnt, Dafydd Nanmor, Gwillim tew brydydd, Lewis Môn, Willima Cynwal, Mr Roberts or tu hwnt ir môr, and simwnt vychan, and f. 30 contains notes from a bardic grammar concerning tow types of 'englyn'. Within the manuscript there are annotations in an eighteenth-century hand which give the floruit dates of some of the poets, e.g. f. 3 '1500 medd Thomas Richards'. These are taken from the list found at the end of Thomas Richards of Coychurch's dictionary, *Antiquae Linguae Britannicae Thesaurus ...* (Bristol, 1753). The manuscript's connection with the Mostyn family of Talacre is illustrated by the inclusion of an 'awdl' to Pys Mostyn on f. 27v, and by a note found loose at the end of the volume stating that the manuscript was bound in 1912 by Lady Mostyn, wife of the ninth baronet. The volume is now designated NLW MS 21582E.
